A Citizen on the Philippines, Ep. JOURNAL :- Some weeks ago, the pworth Herald gave an example of old ime advertisements that run something

"For sale-One negro man Tom 25 rears of age, sound in limb and body, rice \$1000. One bright mulatto girl age 18, pleas

ng of face and figure, price \$1500." This reminds us that only a few years ago we were buying and selling and enslaving our fellow creatures. We have got over this. This idea of doing things was shattered to pieces at Shilo, Gettysourg and a hundred other battle fields of our great war. Just recently our great captain Dewey was reported to

have said, "We should not sell the

Philippine islands but keep them."

This sentiment was scattered over the country by both Republican and Democrat papers, and held to be a very wise saying: Our kidnapping and selling human beings is past, but we still claim the right to kidnap and sell a nation of people. True, we can not hold the individual for this other idea. "That once a Briton always a Briton" or that one could not change his citizenship, was shot to pieces in the war of 1812, but we contend for the right to control and In the process of manufacturing figs place our favorites in office over any people that we think does not come up to our standard of advancement, and as we believe ourselves to be a little the smartest people on earth, as soon as convenient we intend to take the earth, and if the inhabitants don't like it they can move off or emigrate to some other
